

**BILATERAL ARTICULATION AGREEMENT
BETWEEN
NORTH CAROLINA AGRICULTURAL AND TECHNICAL STATE UNIVERSITY
AND
NC STATE UNIVERSITY**

THIS ARTICULATION AGREEMENT is made and entered into by and between **NORTH CAROLINA AGRICULTURAL AND TECHNICAL STATE UNIVERSITY**, a public university located in Greensboro, North Carolina (hereinafter “N.C. A&T”) and **NC STATE UNIVERSITY**, a UNC System Institution (hereinafter “NCSU”). N.C. A&T and NCSU hereby join in a collaborative effort to facilitate the transfer of students graduating from NCSU with an Associate in Applied Science in Field Crops Technology into the Bachelor of Science in Agricultural Education (Secondary Education) Program at N.C. A&T and agree to the following terms and conditions:

1. **Admissions Requirements** - The parties agree that a graduate of NCSU with an Associate in Applied Science (AAS) in Field Crops Technology with at least a cumulative grade point average (GPA) of 2.0 based on a 4.0 scale will be admitted to N.C. A&T provided all other admissions conditions are satisfied. In order to be considered for admissions in accordance with this Articulation Agreement, NCSU students must submit an official transcript that indicates AAS Degree completion.
2. **Transfer Requirements** – N.C. A&T agrees to accept transfer coursework completed at NCSU as equivalent on a course-by-course basis. All NCSU transfer students may receive up to a maximum of sixty-four (64) semester hours of academic credit for approved courses completed (*see page 3*) with a grade of “C” or better earned.
3. **Faculty** - NCSU courses approved for transfer credit must be taught by faculty who meet the community college credential requirements.
4. **Student Class Status**- NCSU transfer student class status will be based on the total number of transfer hours.
5. **Associate Degree Completion** - Parties at NCSU and N.C. A&T shall encourage AAS Degree completion at NCSU prior to transferring. To be eligible for inclusion in this Articulation Agreement, NCSU students must complete the AAS Degree. NCSU students who transfer prior to completing all AAS Degree requirements will have their coursework evaluated on a course-by-course basis. In addition, NCSU students who transfer prior to completing all AAS Degree requirements must meet the N.C. A&T transfer admission requirements.
6. **Promotion** - Parties at NCSU and N.C. A&T shall support and promote this Articulation Agreement on campus through marketing, recruiting, and websites.
7. **Accreditation** - NCSU and N.C. A&T will ensure that they maintain accreditation with the appropriate regional accrediting agency and ensure that all operations will be in keeping with accreditation requirements of the two institutions.

8. **Official Designees for Articulation Agreement Administration** - The following representatives will jointly administer this Articulation Agreement and will be responsible for the evaluation and assessment of this Articulation Agreement between N.C. A&T and NCSU.

9. **Agreement Review, Change, and Termination** - This Articulation Agreement shall be reviewed at least once every three years, by the designated officials at both institutions and is subject to change by mutual written consent. Either party may revoke this agreement by written notice to the other party, giving at least one year's notice of intent to discontinue the agreement. However, it is understood and agreed that any student admitted to N.C. A&T under this Articulation Agreement will be allowed to complete the program notwithstanding the termination provision above, so long as such student is in good standing and is making progress toward degree completion. This Articulation Agreement is effective beginning the fall semester 2023.
