Diversity Inclusions/Enhanced Course Offering at NC A&T

The following courses outlined are those that would be categorized as diversity and diversity enhanced course offering.

Definitions:

- **Diversity Inclusion courses as a Core Curriculum:** fosters the pursuit of knowledge through active student and faculty participation in a broad and richly **diverse** academic experience.
- **Diversity Enhanced as a Core Curriculum:** promote a broad-scale understanding of the culture, history or current circumstance of diverse groups of people who have experienced historic and/or contemporary inequitable treatment in the U.S. or global context with a primary emphasis (at least 50% content) on one or more of the following: gender, race, class, ethnicity, sexual orientation, disability, religion and/or other marginalized group – (UNM: Division for Equity & Inclusion)

Note:

This list does not include courses awaiting forthcoming approval.

Diversity course offering is subject the change and may not be offered for current semester.
